

TALLAHASSEE REPORT

The Florida Land Title Association's Newsletter.

This newsletter is designed to bring you information that has occurred within the association and industry in the previous month. We hope you will find this to be informative and keep you up-to-date.

Member Spotlight

Each newsletter we will be showcasing one of our amazing FLTA members in our new spotlight section. Next time you may see your picture!

Florida Land Title Association welcomes Rebecca Charette as their new Membership Engagement Coordinator.

As the Membership Engagement Coordinator, Rebecca will be responsible for all membership inquiries, local networking opportunities, association awareness, and much, much more.

Rebecca has served on several PTO boards over the past 20 years as President, Vice President, Fundraising Chair, and Secretary at her sons' schools. She was also a co-founder and inaugural President for the Hagerty High Schools J.R.O.T.C Booster Club in Oviedo, FL. These opportunities helped her realize her passion for project management. Earlier this year Rebecca completed

her Project Management Professional Certificate with Google and she is eager to implement what she has learned.

Rebecca believes in having fun, active listening, asking questions, collaboration, and most of all, **Team Spirit!** She is excited to get to know all the current members and explore new ways to engage potential members to become part of the FLTA community.

Welcome to the team, Rebecca!

Cybersecurity Tip of the Month

FLTA Recommended Cyber Security Best Practices

S. T. O. P.

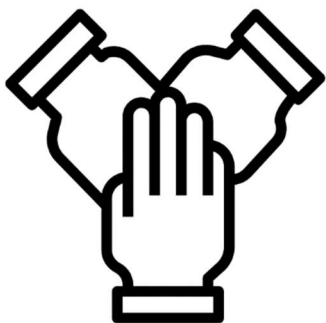

The suggestions represent principles and applications for consideration when creating a cyber security plan – it all starts with: **Setup, Train, Obtain and Plan** – in essence, the word: **STOP**.

S – Set up appropriate processes and controls to protect the Company and Consumers from Cyber Fraud

T- Train and Educate Staff, Clients, and Consumers

O- Obtain and maintain appropriate insurance and cyber coverage.

P – Plan for the worst. Establish written plans to anticipate and promptly respond to cyber-related incidents.
